CUKIERNIA SOWA
80 lat tradycji

MENU

A handful of flour, sugar and a big heart — that is how, 80 years ago, Stanisława and Feliks Sowa began creating a story that continues to this day. Overcoming the hardships of the post-war reality, they built, with courage and a love of the craft, a place that brought people joy in the most difficult of times.

Today, with deep emotion and pride, we celebrate the beautiful 80th anniversary of our business. We pay tribute to the perseverance and hard work of our Founders, thanks to whom we have had the privilege of being with you for eight decades.

Feliks Sowa would often say: **“Over cake, every conversation feels easier.”** Cherishing this beautiful sentiment, we warmly invite you to celebrate with us and savour every sweet moment together.
